

# Gaurav Deepak

**Co-founder and Joint Managing Director, Avendus Capital**

Gaurav spearheads Avendus' flagship investment banking business and leads the firm's international operations. He has worked on several large and complex engagements in M&A, private equity syndication, equity capital markets and fixed income. He has more than 17 years of global investment banking experience. He is based in Mumbai.

Prior to co-founding Avendus, Gaurav worked with ICICI Bank's investment banking team.

Gaurav holds an MBA from the IIM Calcutta and has done his Bachelor of Engineering in Mechanical Engineering from IIT, Kanpur.
