August 2024 • Mumbai

BrainBees Solutions (FirstCry), India's largest multi-channel retailing platform for parenting needs, made a remarkable debut on the Indian stock exchanges today, listing at a 40% premium versus INR 465 (upper end of the IPO price band). It successfully raised INR 4,194 crore through a mix of a fresh issuance of shares worth INR 1,666 crore and an offer for sale of INR 2,528 crore. The anchor book witnessed strong participation from 71 FII and DII.

Avendus Capital acted as one of the Book Running Lead Managers to FirstCry and its shareholders on its Initial Public Offering.

Karan Sharma, Managing Director and Co-Head, Digital & Technology Investment Banking at Avendus Capital said, "From the Series C in 2015 to this landmark IPO, it has been an incredible decade-long journey with Supam, Gautam and the FirstCry team. We're grateful to have a ringside view of one of India's premier tech companies in the making. It is even more satisfying because this marks Avendus' first IPO since our recent foray into Equity Capital Markets."

Gaurav Sood, Managing Director and Head, Equity Capital Markets, Avendus Capital added, "It has been an honour to partner with FirstCry on their blockbuster listing. This is not only a new chapter for FirstCry, but a milestone for Avendus as well – marking our first IPO. The high quality of investors especially Sovereign Wealth Funds onboarded onto the cap table is a testament to the large value unlocking opportunity that India's entrepreneurial ecosystem presents and reaffirms our conviction in partnering with our private market clients on their journey to the public market."
